RE: Application by _____ [APPLICANT'S NAME] for exception to Upper Trinity Groundwater Conservation District groundwater well spacing requirements

Dear _____ [WELL OWNER / PROPERTY OWNER]:

_____ [APPLICANT'S NAME] has filed an application with the Upper Trinity Groundwater Conservation District seeking a variance to the District's groundwater well spacing rules. If the application is granted, then _____ [APPLICANT'S NAME] will be authorized to drill a well at a location that may be closer to your property or groundwater well than what the District's spacing rules would otherwise require. You are receiving this notice because all or part of your property, or your groundwater well (or both) is located within 1/4 miles of the location of the proposed well. Please review the information contained in this notice. If you believe that the location of the proposed well will have an adverse impact on your ability to produce water from your well, you will have an opportunity to protest the application.
